BICYCLES ON HIRE PURCHASE

PACODEF STAFF AFTER RECEIVING BICYCLES.

We will now make it to work on time, was among the few comments made by PACODEF staff after receiving bicycles. A total of seven bicycles were given to the staff last week on hire purchase and these will have to pay for them through a reasonable deduction on their monthly paycheck. This initiative is done to enable PACODEF staff who come from distant areas to easily transport themselves to and from the work place.

MAGORO—OSIA ROAD GRADED

MAGORO—OSIA ROAD DURING GRADING.

The local government last week made an effort to grade the feeder roads and expand them to ease the movement of people in these villages. The graded road will connect six zones from Magoro to Osia zone and will among other benefits help farmers to transport their produce to the market. The road will make these villages accessible and open them up to better opportunities.
